The Center for Intellectual Property Law at Whittier Law School and Birch, Stewart, Kolasch & Birch, LLP are pleased to announce the Spring 2003 IP Seminar Series especially designed for IP practitioners seeking a comprehensive update on the important current issues in patent, copyright and trademark law. This series is designed to appeal to the everyday needs of practicing IP lawyers with legal updates and analysis from law school professors in the field, as well as practical insights from experienced practitioners. Students of law, computer science, other sciences and engineering will also benefit from attending.

For busy practitioners, this eight-week series is scheduled on Tuesday evenings from 5 - 6:15 p.m. with time for questions and networking following a presentation on the evening’s topic of interest.

The IP Seminar Series has been approved for Minimum Continuing Legal Education by the California State Bar in the amount of 1.25 credit hours per Seminar (including 1.25 hours of ethics credit), up to a maximum of 10 credit hours. Whittier Law School is a State Bar of California approved MCLE provider. Whittier Law School certifies that this activity conforms to the standards for approved education activities prescribed by the rules and regulations of the State Bar of California.
