The “Employers Soliciting Resumes” list is focused primarily on opportunities, for both graduating and non-graduating students, to commence after the conclusion of the 2003-2004 academic year. Several externship possibilities for this academic year and summer are listed as well. For immediate law clerk and attorney positions, students/alumni should register for the LawMatch Program. Information is available on the Career Services Office portion of the Whittier Law School website at www.law.whittier.edu.

On this list:

★ denotes employers participating in the on-campus interview program. Please sign-up in the career services office by deadline dates.

☑ denotes employers who have requested that the Career Services Office should forward resumes and other requested information collectively.

● denotes employers to whom students individually must mail resumes and other requested information.

1L = a student who matriculated in law school in August 2003
2L = a student who will not graduate by May 2004 (will include third year evening students)
3L, 4L = a student who will graduate by May 2004

Most employers have sent hiring and profile information ("Information Available"). You will find this information in the Career Services Library and can make photocopies at no charge. Please return originals to the file folders for others to use.
