Roommate preference(s)*

*We are unable to guarantee your housing preference(s) but will make every effort to do so.

PLEASE NOTE: The studios are very nice but very small. Some students found the studios to be uncomfortably small to share with someone who was not a close friend. There are limited one bedroom apartments, and they are quite suitable for two or three people. They consist of a bedroom with one large bed and a sofa bed in the living room. Both studios and one bedroom apartments have kitchenettes with cook tops, microwaves, refrigerators, telephones, televisions, and modern bathrooms.
