

## **Animal Law Seminar First Assignment**

The book for the class is: Thomas G. Kelch, GLOBALIZATION AND ANIMAL LAW (2d Edition 2017) (“Kelch”). MAKE SURE YOU GET THE SECOND EDITION OF MY BOOK, NOT THE FIRST EDITION.

**First Assignment:** History, Morality, Science and the Law: Kelch, Chapters 1 and 2:

Personhood Issues: take a look at the website for the Non-Human Rights Project,

<https://www.nonhumanrights.org/>.

For some reason the book is not available on Amazon right now. I am trying to get this worked out. You can order it from the bookstore or get it from the publisher at

<https://irus.wolterskluwer.com/store/product/globalization-and-animal-law-comparative-law-international-law-and-international-trade-second-edition/>. You need to do this quickly though.
